Dear Mr. MacIver:

Re: Dragon Mine Waste Dump, DOE/023/016, Juab County, Utah

Thank you for submitting the above referenced Declaration of Exemption, which is valid as long as the operations remain under the two acre limitation as we discussed during our meeting of August 27, 1984.

When time will allow a member of the Division staff will visit the area.

Please inform us with at least six months lead time to process a mining and reclamation plan, should you decide to expand beyond two acres. If you have any questions, please call.

Sincerely,
